Article 2 – Security Deposit

2.1 Amount and payment. The Renter pays the Lessor, before taking possession of the vehicle, a security deposit of \$ _____. This deposit is a guarantee for the performance of all the Renter's obligations under this agreement. The security deposit may never be used as payment for a rental.

2.2 Preventive hold. An amount of \$150 of the security deposit will be held for 14 days to cover, if necessary, missing records, a fine, missing fuel or cleaning fees.

2.3 Use of the deposit. The Lessor is authorized to apply all or part of the deposit toward payment of any amount owed, including unpaid rental fees, vehicle damage, cleaning fees, tickets, tolls, administrative fees and any other amount due under this agreement.

2.4 Late notices. The Renter acknowledges that some toll notices, tickets or claims may be sent to the Lessor after the end of the rental period. The Renter remains responsible for these fees even when received days, weeks or months after the vehicle's return.

2.5 Balance exceeding the deposit. If the amounts owed exceed the deposit, the Renter agrees to pay the remaining balance within ten (10) days following the Lessor's written notice.

5. Insurance and Liability

Article 3 – Total Liability of the Renter

Any person taking possession of the vehicle, whether or not the signatory of this agreement, is fully and jointly liable for any incident, damage, accident, loss or deterioration to the vehicle during the possession period, without exception.

Article 4 – Insurance Coverage

Each rental includes basic insurance covering mandatory civil liability (damage caused to third parties). **The Renter nevertheless remains responsible for all damage caused to the rented vehicle.**

The following situations are not covered by the insurance and engage the Renter's full liability:

- Driving under the influence of alcohol, drugs or medication;
- Damage to tires, rims, keys or interior equipment resulting from negligence;
- Using the vehicle for racing, towing or unauthorized transport of goods or passengers.

Some vehicles may not leave the province of Quebec due to insurance; this will be mentioned to the Renter at departure.

Article 5 – Unauthorized Driver

The Renter agrees to be the sole driver of the vehicle, unless an additional driver has been expressly declared and accepted in writing by the Lessor before taking possession. Any driver not listed in this agreement is considered unauthorized.

In case of driving by an unauthorized driver:

- The Renter remains fully responsible for any damage, loss, theft, ticket or toll;
- Any insurance coverage or contractual protection may be cancelled according to the insurer's conditions;
- The Lessor reserves the right to repossess the vehicle without notice, at the Renter's expense (towing, recovery, travel).

6. Renter Obligations

Article 6 – General Obligations

- Use the vehicle in accordance with the Highway Safety Code.
- Do not sublet the vehicle to a third party, in any form.
- Notify the company at least 48h in advance for a contract renewal.
- Immediately inform the company in case of breakdown, accident or problem with the vehicle.
- In case of accident, complete the accident report. In case of theft or vandalism, provide a police report within 24 hours.

Article 7 – Vehicle Return

The Renter agrees to return the vehicle on the agreed date and time, in the same condition as received, except for normal wear. The vehicle must be returned with the same fuel level as at departure and in an acceptable state of interior and exterior cleanliness. Otherwise, the corresponding fees will be deducted from the security deposit.

Article 8 – Reporting Any Mechanical Problem

The Renter agrees to immediately report to the company any mechanical problem, technical failure or anomaly observed, regardless of its nature or severity. Using the vehicle while aware of an unreported failure engages the Renter's full liability for any resulting damage.

Article 9 – Contact Details

The Renter declares that the information provided in this agreement is accurate and agrees to inform the Lessor of any change of address, phone number or email for a period of six (6) months following the end of the rental.

7. Offenses, Fees and Damages

Article 10 – Tickets and Offenses

The Renter is solely responsible for any ticket, offense under the Highway Safety Code, fine, towing fee, parking fee or other penalty imposed during the rental period. If the Renter fails to inform the company of receiving such an offense within 48 hours, a flat administrative fee of \$50 will be automatically charged, in addition to the fine amount.

Article 11 – Toll and Bridge Fees

The Renter is responsible for all toll fees incurred during the rental, including notably those of Highway 25 (A25), Highway 30 (A30) and any other electronic or manual toll network. Any amount charged to the company will be passed on in full to the Renter, plus applicable administrative fees.

Article 12 – Vehicle Cleanliness

Any vehicle returned in a condition deemed dirty or degraded beyond normal wear will incur a flat cleaning fee of \$50, deducted directly from the security deposit. Additional amounts may be charged for exceptional dirt or damage (persistent odors, major stains, presence of garbage, etc.).

Article 13 – Vehicle Damage

The Renter is responsible for any damage caused to the vehicle during the rental, including mechanical, cosmetic, interior or exterior damage, except with proof of a mechanical defect not attributable to the Renter.

Article 14 – Keys and Accessories

Any loss of keys, remotes or accessories results in replacement fees as well as associated costs (towing, programming, travel if applicable), entirely at the Renter's expense.

Article 15 – Loss or Theft of the Vehicle

In case of loss or theft of the vehicle during the rental, the Renter remains liable up to the value of the vehicle, subject to applicable insurance protections, and agrees to cooperate with the authorities and provide a police report within 24 hours.

Article 16 – Late Return of the Vehicle

Any delay in returning the vehicle incurs a fee of \$75 per day. After a delay of 24 hours without communication, the Lessor may consider the vehicle as potentially stolen and notify the authorities.

8. Non-Payment and Remedies

Article 17 – Vehicle Immobilization

In case of total or partial non-payment of amounts owed at the expiry of the agreement, the company reserves the right to remotely immobilize the vehicle without notice, 48 hours after the rental end date. The Renter expressly consents to this by signing this agreement.

Article 18 – Payment Default and Collection

Any amount unpaid under this agreement constitutes a default. The Lessor may send a formal notice and, if necessary:

- Transfer the file to a collection agency;
- Undertake any legal proceedings authorized by law;
- Claim interest as well as reasonable collection costs permitted by applicable laws.

9. Termination

Article 19 – Termination of the Agreement

In case of failure to comply with any of the obligations set out in this agreement, the company reserves the right to terminate the agreement without notice and to repossess the vehicle immediately, without prejudice to any other available remedy.

10. Acknowledgment and Signatures

Article 20 – Renter's Acknowledgment

By signing, the Renter acknowledges having read this agreement in its entirety, understanding its scope, accepting all the conditions set out therein, and agreeing to be responsible for all amounts that may be claimed regarding the use of the vehicle during the rental period.
